LAWSHALL VILLAGE HALL

– open for you

www.lawshallvillagehall.co.uk

You can download a copy of R&A. From the website.

It is the middle of March as I sit here writing this article and I wonder how we got here so quickly. The signs of Spring are everywhere with Daffodils and Crocuses popping the heads up all over the village. The sound of lawn mowers is clear and strong and gardens are bursting into life. Just like your village Hall. There is so much to do at the hall now with a table tennis club, circuit training, the Tuesday club and much more. Very soon, the garden club will be starting up with the first meeting being held at the hall on Wednesday 26th April. Plans will soon start for the village fair which will be bigger and more exciting than ever this year.

The W.I are proceeding at a pace with the plans for the village open gardens event which will be held on June 24/25. We need your help to get this event to succeed by volunteering to open your gardens or assist on the weekend in question in any way you can. We will also be making an effort to decorate the hall with plants this year, with hanging baskets and, hopefully, some new planters. Your Village Hall Committee has cleaned up all the ditches bordering the hall and work will also begin soon on creating some flower/shrub borders beside the hall.

We have been busy making the hall an asset for the village to treasure, so please come along and assist us by using the hall and its' facilities or by helping us out by being part of a social events committee to organise events for the village at the hall. Quiz nights, dances, shows, whatever you want. Just come along to one of our meetings or contact a member of the committee using the details available in your RA Magazine.

Have a lovely April in our great village.

David Henderson, Chairman, Village Hall Management Committee.

Annual Parish Meeting Tuesday 9th May 2017 at the Village Hall 7pm: Representatives of all the organisations in the village are invited to make a short report of their activities during the year at this meeting.

Glebe Mini Market: A letter has been received from Lang LaSalle Ltd dated 3rd March 2017 stating that they have a purchaser ready to proceed to acquire the premises for ongoing use as a village store. The proposed purchasers are the former shop tenants of the property and it is understood that they intend to reopen and operate from the premises as a village convenience store.

NH Plan update: The Plan is now halfway through the Consultation period which ends on 31 March 2017. The next step is for the Plan to go to the Independent Examiner. Full details are on our website www.lawshall.suffolk.gov.uk

Summer Fair and Flower Show: The first meeting has taken place with representatives from All Saints Church, Village Hall Committee, W.I and the P.C. Next meeting is on Monday 3rd April 2017 at The Swan at 6.15pm to discuss more ideas and suggestions. All offers of help for this venture will be most welcome.

Crime report: No crimes reported for December 2016 according to the Police website.

Parking area opposite The Swan: The Councillors would like to thank Cllr. R. Kemp for the contribution of £5000.00 from his Highways Budget which will allow this area to be made into a proper parking area for the school traffic. The path to the school is still ongoing.

Dorothy Griggs - Parish Clerk. 01284 830813

~~~~~ **SPRING CLEAN:**

As we head into longer evenings and hopefully sunnier days we all start to have a spring clean. Please use the recycling facilities provided in the village. The glass and textile banks provide a valuable source of income for Lawshall and help us as a village to reduce landfill.

LOVE YOUR VILLAGE – HELP PLAN ITS FUTURE

Lawshall Neighbourhood Plan

We're Getting There!

We've all worked hard and come together as a community to make the NP Submission what it is – a document that represents the views of the villagers. Now come the next official steps:

Babergh's public consultation ends on Friday 31st March at 4pm. Don't forget you can still send in comments to Babergh before this time (details on our website).

From 3rd April an administrator from Babergh's Planning Department will pulling all the documents together and sending them to an Independent Examiner.

It's hoped the plan's examination will take place directly after Easter and take around two weeks.

The Plan will then come back to us along with the Examiner's requests for final adjustments or amendments.

The NP team will then work on producing the Final Plan, taking these requests into account.

Babergh will announce the date for the Neighbourhood Plan Referendum. We hope this will be in June.

***We'll be asking for your support one last time –
to come out and vote!***

Lawshall Garden Club

The Village Hall Management Committee is going to set up the **LAWSHALL GARDEN CLUB**, starting on **Wednesday April 26th at 7pm** in the village hall. Why don't you come along and be part of a group of people with an interest in gardening and who want to help to transform the village into a garden village. You don't need to be a gardener or horticulturalist to join. I am hoping to put together a group of people with a variety of skills and with a willingness to help others or perhaps to learn themselves.

Perhaps you need help or advice with your garden or you know of somebody who needs help. I am hoping we can provide that help within our village group. Why pay out for gardening advice from professionals when I am sure we have sufficient skills and knowledge within our village to give you that advice free of charge. We can arrange plant swaps or seed fairs and assist with propagating plants to save money.

I also hope to look at the public areas of the village that look a little neglected with a view to brightening them up with flowers, shrubs and trees. The local WI is planning an open gardens event for June and I would look to support them in their plans with a view to running such an event ourselves in future years.

We would also arrange trips to gardens across eastern England and perhaps beyond as well as opening up our own gardens for barbecues and other gatherings. So look out for the signs around the village and come along on the **26th April** to help get our garden club up and running. I really look forward to seeing you there. Free teas and coffees on the night as well.

Dave Henderson, Chairman Village Hall Management Committee

Bird Notes April 2017 by Cliff Cooper

Nature's cycle has come quickly round to Spring again, and the signs are all around us in the village. Recently there has been quite a lot of bird movement associated with this change in the season.

Whilst out walking the fields a few days ago I spotted a small flock of waders flying overhead; I was really pleased to see them drop lower and circle the field I was walking round before they dropped to the ground and I could see that they were golden plovers. It was a relatively small flock of about fifty birds, but these birds will be on their way north to the high ground for their breeding season. Heading in roughly the same northerly direction will be the flock of about a hundred redwings that I also noticed recently.

You don't have to leave the village to see slightly scarcer birds at this time of year- you just have to be lucky - like my near neighbour who had a black redstart visit his garden as it passed through. Similarly, I was literally surprised to come across a woodcock just behind the village hall; it got up from right under my feet and really made me jump.

The black-headed gulls have regained their summer plumage now, so they look at a distance like their name suggests. However, on closer inspection, you can see that the head is not really black at all – it is a dark chocolate brown. Perhaps a mistake by the early ornithologists who didn't have the benefit of our modern high quality optical equipment?

The first of the warblers to arrive here in Lawshall is usually the Chiffchaff and this year was no exception. Unfortunately for me, I was beaten to the sound of the first one this year by Pauline and Dennis Morgan who heard one in Golden Wood on the fifteenth of March. I didn't hear mine until the next day!

Tuesday Club

As I write this we have just returned from our first outing of the year. It was really good to be out and about again. Sixteen of our members travelled in a comfy bus to Martelsham where we played a couple of games of ten pin bowling. Well done to Iris, David and Julian for their efforts. Those that did not want to play sat and watched and had a good chat over coffee. There was much banter on the way and throughout the meal that we had afterwards in a local pub/restaurant. We returned to the bowls to collect Iris's walking stick which she had left behind, and thereafter much 'stick' was aimed at her. All very good humour.

Our April trip will be to the Ipswich Transport Museum and this also will be followed by a meal out. This too I am sure will be a great day.

If you would like to join us on our outings why not come along on Tuesday afternoons to the village hall at 2pm. Once you become a member of the club you are entitled to join us on the outings. Our outings are always subsidised, thanks to the grant that we received from the Suffolk Foundation. This pays for the mini bus hire and also a part towards entrance fees etc. This makes our day's out more than reasonable. Of course if you want to make a small donation if you have enjoyed yourself, then our treasurer is always happy to see you!!!

We are regularly averaging 20+ each week and we run a very varied programme. We are always happy to see new faces.

LAWSHALL WI

The March open meeting welcomed lots of visitors. Our speaker, Jacqui Norman, gave a demonstration of Tudor dress, much to everyone's enjoyment. The members and visitors were fascinated to hear about the various materials that the Tudors had available to them, and the strict hierarchy concerning the wearing of them. The evening was enhanced with some lovely baked goods brought along by the members.

Next month's speaker is Cally Boardman, Local Area Coordinator in Suffolk. Cally will be talking to us about her work in the community in Suffolk. Her work involves supporting a wide range of people in our area in many different ways. The Following month there will be a talk on beekeeping.

Other activities outside of the Monthly meetings:

STITCH and BITCH : For anyone who enjoys needlework of any sort, or just fancies a chat, come along to The Swan, Lawshall at 7.30 on the third Thursday of the month. Contact Ruth (details below) for information.

BOOK CLUB : There is a newly formed book club that meets monthly.

Notes from the Chairman of the Parish Council

Our March meeting was well attended with plenty to discuss on the monthly agenda.

The PC have cleaned up the bus shelter at Swanfields and reported the pot holes that blight the village roads.

We are moving towards more improvements on the play area on Walchers meadow with the extension of the fence to include the new swing. The recently planted trees are thriving and the deer guards have proved effective.

The summer fair initiative seems to be gaining momentum and I hope that residents will feel this event could become a valuable asset to the village, yes there will be issues to address, perhaps parking areas on the day, but with everyone's support the event will be a success. If anyone is willing to help and be involved it should mean a greater reward for Lawshall village overall.

Please do get involved in village activities and I look forward to seeing you at our next parish council meeting in April.

Lawshall Community Woodlands

A Forest for Our Children

A TREE FOR EVERY CHILD

At Golden Wood, that's our aim. Trees take time to grow. They're strong and surprising. They need to be nurtured. And every one is different. You never know which way they're going to grow.

Like our woodlands, our children are our future. They'll be here after we're gone. Which is why Forest for Our Children runs the Seed to Tree programme, led by Elizabeth Clarke along with a team of volunteers from the school and the FOC, to pass on what we know about woodland management and to keep the wood's link with Papua New Guinea alive.

Every Autumn, children from Y1 search for acorns (and other seeds) which are then planted in the Tree Nursery behind All Saints School. In Y2, the children mulch and the saplings. Two years later and the saplings are ready to be planted out in Golden Wood, so every child has their tree.

For the past two years, the children have used their trees to plant the hedgerow along the North-West boundary of the upper wood, near The Foundry.

The very first tree was planted in the school grounds by William Takaku in 1993 when he was visiting Lawshall from the rainforest of Papua New Guinea. The children's connection with trees is kept alive in the names of their classes: Acorn, Oak, Ash, Lime, Horse Chestnut, Willow and Elder. So hopefully you can now see why our woodland is called 'Forest for Our Children'.

Lawshall Weather Summary February 2017

Well, what a strange month this has been. The first week was quite warm for this time of year. The second week became colder as it progressed until the 10th when we had some snow flurries leading to the first light snow fall on the 11th. Snow did not settle and was gone by the evening. We then had a changeable but unseasonably warm patch up to the 20th when the temperature reached 16.6°C. This was followed by some strong winds that lead to 'Storm Doris' hitting us on the 23rd. Gale force winds gusted to over 80mph but luckily for us did only superficial damage mostly to trees. 24th – 28th remained changeable but above average temperatures. Rainfall for the month was well up on last year and above Met. Office averages for the period.

Summary:

Rainfall was 49mm. 2016 – 18mm. (41mm). *UK National Average 36mm.*

Average daytime temp 8.3°C 2016 was 5.5°C (6.8°C) *UK National Average 7.6°C*

Highest Temperature was 16.6°C on the 20th. 2016 was 13.9°C.

Average night-time temp. 4.8°C. (0.8°C). *UK National Average 2.5°C*

Lowest Temperature was 0.5°C on the 10th. 2016 was -1.3°C.

Figures in brackets show the average Stowmarket data for the last ten years.
