LAWSHALL VILLAGE HALL

– open for you

www.lawshallvillagehall.co.uk

You can view or download a copy of R&A from the website.

Chairman's Report

Your village hall committee is busy arranging some Christmas events for you all to attend and you will find details within this issue. Such events take a lot of organizing and are only worthwhile if you support us by coming along to one or more of the events that we are planning.

We are hoping to put together a group of villagers who are willing to help out with organizing events at the hall including Coffee mornings, Race nights, fairs and other entertainment. We have two volunteers so far but need more people to offer to help so please get in touch with one of us or come along to our next meeting on **Monday 3rd December** for a chat.

I am sure you will agree that the hall has looked much better this year with the addition of the planters and hanging baskets. This is mainly thanks to the Lawshall Garden club who donated their time and effort free of charge putting these displays together. Our thanks go out to them.

Finally, we are still looking for somebody to take on the role of secretary on our management committee. We only meet every three months so the role is not too demanding. If you think you could spare us a little of your time to take on this role, please get in contact with me or any committee member and we will explain the role in more detail.

Don't forget that the hall is there to be used by you for any function so help out your village hall by joining in or even holding functions of your own there.

All the best

Dave Henderson. Chairman VHMC

Vacancy for Councillor. We still need a Councillor to make up the required amount of Councillors for Lawshall. If you are interested please contact the Clerk for details.

S106 Recreational Funds: Babergh D.C. have agreed to allocate the required amount for the P.C. to carry out the necessary work on the climbing frame in the playground. Thank you again to the residents who returned their survey forms in favour of the P.C. asking BDC for these funds.

Glebe Stores: As you are aware there is a "To Let" sign on the shop. We understand that two local convenience stores have expressed an interest. No more information has become available to date. It has been confirmed by Babergh D.C. that the shop is still registered as a Community Asset until 5th April, 2021. If necessary, when this expires the P.C. will be notified and we can nominate it as a Community Asset again.

Footpath at All Saints Primary School: The only information we have been able to glean from S.C.C. is that the work will be carried out at Easter 2019 **but this has not been confirmed.**

Crime report: According to the Police website no reports have been received for Lawshall since June 2018.

Walcher's meadow: The seeds for the Wildflower area and replacement trees have been ordered and planting will take place a.s.a.p. The P.C. would like to thank again the anonymous donations received to help finance this project.

Grit bins: We have been informed by S.C.C. that they will no longer put grit **HEAPS** but will continue to fill the grit **BINS** that are already in place in the village. They also informed the P.C. that we can order extra grit **BINS** if required. At the P.C. meeting on the 11th September it was suggested that if there are locations which need a **BIN** (where previously a **HEAP** was in place), to contact the Clerk or any Councillor with suggestions.

Phone Box Swap Shop: The P.C. are in the process of getting quotes for the glass and also quotes to get replaced.

Bird Notes October 2018 by Cliff Cooper

At the beginning of September we had a week's holiday back in the Derbyshire Dales, where we visited some of the places we used to walk 30 years ago before our epic move to Lawshall. It was really good to see that most of the area seems unchanged and unspoiled. The birding was fairly quiet, as you would expect at that time of year; we did, however, see several ravens which we would not have seen back in the '80s. Dipper was another nice bird to see on the river.

A sure sign that the summer season was drawing to an end was the sight of masses of swallows and house martins, presumably using the Manifold and Dove valleys for navigation (and a bit of feeding) as they made their way south and east towards the coast. They were there in their hundreds so it was heartening to see so many.

Back home there is still the odd swallow and house martin about, feeding low over the freshly ploughed fields before they too depart for the winter.

In golden wood I have also noticed that the tits have started to gather into small flocks as they flit along the boundary hedges in the constant search for insect food. One day I saw a sparrowhawk zooming through the wood clearly intent on turning at least one of these small birds into its food for the day.

The sheep field adjacent to golden wood has also been providing good food for some of this year's pied wagtails. On one occasion I estimated at least fifty wagtails, some young, some adult, and surprisingly three yellow wagtails, all running about grabbing the flies that were making use of the sheep droppings.

INSPIRING WOMEN

Lawshall WI

The meeting for the ladies of Lawshall WI was held on the 12th of September, our first meeting the summer holiday break; we also had a few visitors who joined us and were very welcome.

Oggie Wheldon was our speaker who is a couture milliner. Oggie spoke about her introduction to millinery having previously been employed as a personal secretary, so this was a complete change of direction in career. We listened with avid interest to the description about what materials are use and why, and also given a presentation on how to start making a hat. The interest from the audience was shown in the amount of questions that were asked, and believe me there were a lot!

Oggie then went on to show us her collection of hats that she had made allowing us to try on all different types to suit that certain face shape, hairstyle etc. One lady who was convinced that she could never find the right hat to suit her, was given a beautiful large cream creation decorated with cerise pink silk to try, needless to say all agreed she looked beautiful, as you will see if you look at the pictures on our website. Another very enjoyable evening was had by all with Lawshall WI.

Our next meeting will be a practical in silk painting given by Karen Wilcox one of our members on **Wednesday 10th October** at 7.30pm Lawshall Village Hall. Visitors will be very welcome.

Lawshall Pre-School

We welcomed new children and families to Pre-School in September and our topic for this half-term is 'All about me'. We are getting to know all about the children's families (including grandparents and pets), the things that the children are interested in, and their individual likes and dislikes.

We know that they will enjoy the opportunity to cook lots of delicious food this Autumn, either to eat at snack time, or to take home to share with their families - if it lasts that long!

We are having lots of fun exploring our outside area and looking after the pumpkins that we have grown in our garden.

We still have a few spaces available for some of our sessions. If you would like any further information, please feel free to contact us on 01284 827588 or e-mail us on lawshallpreschool@hotmail.co.uk

The Lawshall Trust

There are two trusts in the village administered by the Lawshall Trustees. They each get funds from dividends on investments, which arise as a result of bequests of land and money left to the people of Lawshall throughout its history.

For example the Village Hall was built on “Town Lands” which was left to the village in this way.

The Lawshall Relief Fund this fund exists for the following purpose “to relieve either generally or individually persons, resident in the ancient parish of Lawshall, who are in conditions of need, hardship or distress by making grants of money or providing items, services or facilities calculated to reduce the needs, hardship or distress of such persons”.

We give thanks for the men of Lawshall who in the 16th Century started the Trust for our village.

Diana Clark

The Lawshall Trust is still there today for those persons who need help. Over the years there have been many who have needed a helping hand, young people and the elderly.

Also any organisation in the village can ask for assistance, as long as it is village based.

Whatever help is needed, **everything is confidential.**

We meet in May and November to decide on the support we give out.

If you want to apply for funds
please use the form printed opposite.

Lawshall Relief and Trust funds

Application for Assistance

The Lawshall Relief and Trust funds have been in existence in one form or another for almost 500 years and exist to support the residents of the village. Support can be applied for from a wide selection of criteria such as help at Christmas, to students purchasing study books or helping local Clubs or organisations meet their financial obligations. There is no specific time at which these applications can be made, but we like to remind everyone that there is this option at this time of year.

If you are interested in making an application please could you complete the details below and return the form to either;

Tuesday Club

Once again I have to start my report on a note of sadness. Our dear member and friend, Iris, died during the first week in September. Iris had a remarkable Cockney sense of humour and she lit up the hall with her sharp comments and stories. She was loved by us all and will be greatly missed. We pass on our condolences to the family particularly to Vivienne and Do-reen, her sisters, who remain members of our club.

'The best outing that we have had'. this was the comment by a number of folk who came with us on our outing last month. We started with coffee in a Garden centre on route where a number bought various articles, including a pig!!! We then moved on to the Thatchers Needle in Diss for lunch and were very well cared there. Then the highlight a visit to the The Grange Musical Collection at Palgrave. What an amazing collection of barrel organs, and self playing musical instruments. The proprietor was happy to ensure that all of

the instruments played for us and this made for a thrilling afternoon. Our visit finished with the playing of an organ used in the silent movies of long ago. Fantastic.

Individuals can visit on Oct 7th: Nov 4th or Dec. 2nd between 12noon and 5pm. Telephone 01379 783350.

Our visit from Steve Beedle was also a very enjoyable afternoon with a sing song that many outside the village Hall heard. We were able to give £80 to Steve for St Nicholas Hospice. Well done everyone.

Finally as I write this we look forward to meeting a representative from the Guide Dogs for the Blind. I will report on this in November.

To finish our years outings we are having a Fish and Chip meal on the 24th in The Swan Inn where no doubt we will have another good day.

If you have found this interesting and do not come along on Tuesdays why not give us a try between 2pm and 4pm.

Lawshall Weather Report – August 2018

This month highlighted some considerable fluctuations in both day and night temperatures. Recorded figures were slightly up on last year in every section except the 'Lowest Temperature'. Rainfall too was a little bit lower again. Interestingly the overall figures finished up very nearly the same as 2016.

Total Rainfall: 71mm in 10 days 2017 was 78mm in 10 days

Stowmarket 10-year average is 56.2in 8 days

Daytime average temp: 23.9 2017 was 22.1

Stowmarket 10-year average is 21.8

Highest temperature: 33.1 2017 was 28.3

Night-time average temp: 13.9 2017 was 13.4

Stowmarket 10-year average 10.2

Lowest temperature: 8.9 2017 was 9.5

All temperature figures are shown in °c

It is worth mentioning that although the monthly rainfall was 71mm, we had 34mm of that in just two days – the 9th and 10th with a further 12mm on the 16th.

CARPET BOWLS CLUB

We meet every Monday afternoon between 2pm and 4pm. Due to illness and physical problems our attendance has dropped over the past months and we really need to recruit some new members. At present we attract more members from outside the village of Lawshall than inside, a sad reflection on the village.

If we are to continue through 2019 we need to increase our membership so why not come along and try something different. It is a really enjoyable afternoon and will not take long for you to pick up the skill of carpet bowling.

We really look forward to you joining us.
