From the Chairman

Well it is nearly Christmas and there are things to look forward to at your village hall. We have our **Christmas concert** on Friday 30th November. The evening starts at 6pm with the switching on of the Christmas lights around the tree and a first chance to sing a few carols. The Lawshall WI will be serving a feast of seasonal delights for your consumption to keep you all warm inside. Our concert starts about 7pm with the **Preston St Mary Pop Up Choir** and they will be followed by the wonderful singing voice of **Gina Cristallino** who will be entertaining us with her rocking Christmas selection that you can all sing along to. The village hall needs your support so why not come along and enjoy a pleasant evening out with your friends and neighbours.

On Sunday 16th December, we have our **Family Christmas Quiz** at 3pm. There will be refreshments, a raffle and a prize for the winning team. Teams of 4 to 8 people can take part but if you are alone or just 2 of you, please come along anyway and we will make up teams so that everyone can take part and have some fun. It was a great success last year and we hope you will support us in making it another success this year.

We still need people to assist us to manage the hall and to plan future fund raising events so if you have the time, please get in touch and have a chat with any committee member. We only meet 3 monthly so the demand upon your time is not great.

Finally, the whole committee would like to wish you all a very merry Christmas and a prosperous and happy new year.

New Councillor: Mrs Karen Whordley has been co-opted as Councillor to fill the vacancy of a Councillor for the Parish Council at the P.C. meeting held on the 13th November, 2018.

Book swap shop: The glass has now been replaced and thanks go to Mrs Elizabeth Clarke for re-arranging the books.

Football posts on Churchill close meadow: As the nets are in a bad condition it was decided to remove them from the posts.

Fireworks on Churchill Close meadow: The Councillors have received several complaints about fireworks being let off on the meadow recently, causing distress amongst some residents and pets.

Notice boards: The notice boards in place are getting very old and need replacing. There is still money available at Babergh D.C. in the S106 Fund for Lawshall and the P.C. are hoping to get some funds to help with the purchase of some new notice boards, but we need your help. We have to prove to Babergh D.C. that these notice boards are for use of the village to advertise their organisations, events etc. We are asking all the organisations if they will send a poster (ideally A5 size) advertising their activities/events to the Clerk, who will then place them in the notice boards and photograph them, and send the photograph to Babergh D.C.

Crime report: as per the Police website reported September, updated October 2018:

On or near Churchill Close: includes offences against a person such as common assault, grievous bodily harm, and sexual offences. Under investigation.,

On or near Whepstead Road: includes theft from or of a vehicle. Under investigation.

Message from the Police: A reminder for you for the winter months. Please make sure you leave your house secure; doors and windows locked. Keep all your valuables in a safe place. Never leave keys in an open space. Also make sure your outbuildings, sheds and garages are locked up securely. Leave a light on when you are away from home. Bird Notes December 2018 By Cliff Cooper

At the beginning of November we had a sudden dip in temperature as the weather started to come more from the east than the south and west. These more seasonal climactic conditions brought in our regular winter visitors in their droves. I simply stood still one afternoon and watched as hundreds after hundreds of fieldfares passed overhead. I didn't actually hear any redwings among the masses of birds going over, but I feel sure there would have been some mixed in with the fieldfares. These birds would have been here a month earlier had the conditions been harsher.

This event just shows how crucial the weather is in determining what birds we see here in the east of England. While the warmer weather was still here we kept some of our summer birds a bit longer than usual and even a few less regular visitors, such as the much publicised pallid swift, appeared due to the continental high pressure.

As the winter moves on we can expect the weather to turn much colder than we have experienced so far, and that should mean that we start to see the migratory birds from the north coming down for food and shelter. This includes several species of geese, woodcock, waxwings, and bramblings.

Of course, this is the way the seasonal migrations have occurred through the millennia, and we could predict within a couple of weeks when each species would appear. However, we now have to consider the effects of global warming; the seasons seem to be getting later and perhaps less severe here in England. Does that mean that eventually some of our visitors from the far north will not find it necessary to migrate as far south to seek refuge? Or, even worse, will they lose their home (breeding) grounds if the polar ice continues to melt?

LAWSHALL GARDEN CLUB

Well it's nearly Christmas already. Where did 2018 go? Most of us will have put our gardens to bed now for the winter months. There are still a few things to keep an eye on in the garden. Collect up any remaining leaves that are lying on lawns in particular and dispose of them or store them to make leaf mould. Any leaves on the borders can be left as they will rot into the soil and be dragged down by worms, which is good for the soil. Do however remove leaves from the crowns of any plants as they can cause damage.

Try not to walk on your grass if there is heavy frost lying on it as you will again damage the grass. Remember to put out feed for the birds and other wildlife. Our gardens are all the better for having a healthy wildlife population and we all need to do more to protect our wildlife.

Winter is a good time to prune back your apple trees while they are dormant. Congested growth needs to be thinned out especially spurs which have become overcrowded. Cut back the older or more mature and complicated growth and reduce younger spurs to 2 or 3 buds. This will encourage stronger and better crops the next year. Remember the tree needs to be dormant and this work is best done late winter after the worst of the weather has passed. Long laterals should also be cut back to 5 or 6 buds to produce stronger stems for spurs to grow from.

If you haven't done so already, now is a good time to cut back taller rose bushes by about a third to prevent winter rock damage, where cold winter winds can cause stems to rub against each other and for root bases to be weakened. Many people choose to leave pruning roses until February which is absolutely fine but I would recommend pruning now for taller specimens.

If you read this in time, why not come along to Lawshall village hall at 7pm on **Thursday 29th November** for our last meeting of the year. There will be lots of hot drinks and mince pies and a demonstration of how to make a Christmas wreath the old fashioned way, using only natural materials found in your gardens. Our speaker Barry Gayton is a renowned horticulturalist who has appeared on Gardeners world and advised some of the country's top gardeners. Everybody is welcome.

Have a great Christmas and a wonderful new year.

Tuesday Club

Firstly may I start by thanking the Suffolk Foundation who have granted our club £1,000 through the Suffolk Rural Fund for our services to the community. This grant will go towards ensuring that our monthly outings next year will continue from April through to October. In fact all of these have already been put together and an exciting programme is promised.

Our December programme is shortened by the Christmas and New Year celebrations. We have our Christmas Party and sing song on 4th with our friends Steve and Frank in the village hall and on 18th we will be having our Christmas meal at The Swan Inn. If you would like to come along on 4th you will be most welcome. I will be unavailable on the 11th but David and Dorothy have kindly offered to 'hold the fort' for me so that the club will meet at 2pm as usual in the village hall.

After our Christmas meal we will next meet at **2pm on Tuesday 8th January 2019 in the village hall**. If you would like to join in with us and perhaps take advantage of our days out please come along, you will be made most welcome.

It just remains for me to wish everyone an enjoyable Christmas period and a very happy New Year.

John Payne

Lawshall Pre-School

During December we will be learning all about Christmas, and if you are looking for us, you will probably find us under an explosion of glitter!

We will be finding out about the story of Christmas, and making cards, decorations and presents.

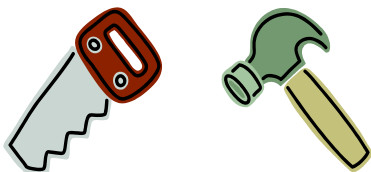

We love music, and we will be learning Christmas songs to share with our friends and family.

If we are all very good (including the adults who look after us at Pre-School) we might have a very special visitor to our Christmas party.....!

We still have a few spaces available for some of our sessions.

If you would like any further information about Pre-School, please feel free to contact us on 01284 827588 or e-mail us on lawshallpreschool@hotmail.co.uk

Stretch your vocal chords and help raise funds for your local hospice

because
you matter

**St Nicholas
Hospice Care**

A Registered Charity No. 287773

A local charity is on the hunt for fundraisers willing to stretch their vocal chords and help raise vital funds while having some tuneful fun in the lead up to Christmas. In a bid to make sure festive spirit is spread far and wide this year, St Nicholas Hospice Care is hoping as many people as possible will lend their voices to its new fundraiser 'Carolling All the Way'.

To help make the occasion a success the Hospice needs people who love a sing-song to come together and sing their way around their communities over the weekend of **14 to 16 December**. Alison Bacon-Snow, the Hospice's lottery manager and event organiser, said: "I want this to be a really fun fundraiser that everyone feels they can be part of". "It doesn't matter if you're already part of a choir or just someone looking to have some fun fundraising at Christmas, this will be a friendly occasion packed with community."

No audition is necessary and people can sign up as groups (of any size) as well as individuals. By taking part, fundraisers will be helping to make a huge difference to the lives of local people, as all funds raised will help support the hospice's services across West Suffolk and Thetford. It costs £5 per person to take part and fancy dress (Christmas jumpers, steampunk or period costume) is optional.

All the pumpkins were placed at the front of the pub and looked fantastic. Clive Robinson, our official pumpkin judge, had a very difficult decision on his hands. Thank you to all who entered. We raised £68 for the school and preschool.

Willows

Residential Care Home

The Willows is a friendly residential care home for elderly ladies and gentlemen and is part of the Extra friend group of care homes.

We are situated in the village of Lawshall which is about 6 miles south of Bury-St-Edmunds, Suffolk. Set in 2 acres of tranquil landscaped gardens and surrounded by countryside, The Willows (Originally a farmhouse) has been sympathetically and tastefully extended and refurbished and is now home to 25 residents.

Care Manager, Mrs Margaret Holt says that: "All clients are treated as individuals with dignity and respect and where client comfort and safety comes first".

If you would like further information on admission arrangements and fees, please contact our Care Home Manager on **01284-830665** who will be pleased to answer any questions and arrange a tour of our Home.

Litter Pickers

May I use this Christmas period to say a very big thank you to all of the litter pickers in the village, both those known to me, and those who quietly go out collecting. You have all done a sterling job and I am sure that the vast majority of Lawshall residents are grateful to you. I wish you all a very happy Christmas and New year.

Sadly though, I have to report that litter is still regularly thrown onto our streets and the need for our street cleaners remains. If you would like to join our group I have plenty of fluorescent jackets and black rubbish bags in stock.

If you are one who is happy littering the streets of Lawshall why not help out by making a new year resolution not to do so. Just a small thing but it will make a huge difference, and can I point out that if you are caught, the maximum fine has been greatly increased.

John

Lawshall Weather Report

October 2018

Yet another pleasant month but with figures that are very different from last year in most respects as shown below:-

Total Rainfall: 45mm in 7 days. **2017** was 16mm in 4 days

Stowmarket 10-year average is 65mm in 10 days

Daytime average temp: 15.9 **2017** was 16.0

Stowmarket 10-year average is 14.2

Highest temperature: 24.7 **2017** was 21.2

Night-time average temp: 8.1 **2017** was 10.0

Stowmarket 10-year average is 7.5

Lowest temperature: 2.2 **2017** was 4.7

All temperature figures are shown in °c

As you can see, rainfall was higher than last year but still less than the 10-year average. Autumn leaves have been falling steadily through the month but there are still a lot to come down, making this year slightly later than normal. The first frost of the season was recorded on Sunday 28th.

November has started well with average daytime temp of 13.3 and night-time temp of 7.0 taken over the first 15 days.

This is a lot warmer than UK average.
