Editorial: February seems warmer than usual despite a brief spell of snow, no doubt Malcolm will be able to tell us whether it really is warm with his weather report next month. Certainly the flowers are waking up.

There is a lot of information from the parish council this month—worth a good look. There are Garden Club notes, (p17) opportunities to sing, (p25) get involved in managing your woodlands (p19) (no they are not owned or run by the council, but by volunteers) , or just take an hour to help clean up the village (p31).

You could also join the Tuesday Club or WI. Many opportunities to connect with others and help your village thrive.

Many thanks to all those who have contributed this month. Please do let me know about anything you would like included in another edition.

Enjoy the unfolding spring.

Jenna, Editor

School Bus policy changes: S.C.C. is implementing changes to its School Travel Policy taking effect from **September 2019**. Children living in Suffolk starting at a new school will be eligible for SCC funded school travel when they are over 2 miles (under 8 yrs old) or 3 miles (over 8) walking distance from their nearest school that would have had a place available for them. This would be whether or not an application was made for a place at that school. Full details about SCC funded school travel, including additional arrangements for low income families and those with special Educational Needs and Disabilities (SEND) can be found at www.suffolkonboard.com/schooltravel

For transport in September 2019 and all future years families whose children are eligible for SCC funded school travel **will need to opt-in to receive their transport**.

This important change means that **all** parents will have to opt-in **by 31 May each year** for school travel to be provided in the following school year as this will no longer be provided automatically. This a brief notice of school travel, if you would like to see the email the Clerk received about school travel which includes more information, please get in touch.

Lawshall Pre-School

During March we will continue our focus on numbers - how to recognise numbers through a range of activities including number games, looking at and for numbers in our environment, and using numbers when we measure ingredients for our cooking activities.

We will also continue learning about our 'letter of the week', what sound it makes, and asking our families to support our learning by helping us find something at home to bring in which begins with the **right** letter - this is a bit hard for us sometimes but we keep trying!

On the 7<sup>th</sup> March we will be celebrating World Book Day and our love of books, by dressing up and taking part in lots of reading activities.

Later in the month we will have a special visitor - a vet is coming to see us to tell us all about their job, and we will have our very own 'pet' clinic.

We still have a few spaces available for some of our sessions. If you would like any further information, please feel free to contact us on 01284 827588 or e-mail us on [lawshallpreschool@hotmail.co.uk](mailto:lawshallpreschool@hotmail.co.uk)

## **THANK YOU**

On Saturday morning 9th February I was crossing the road at Harrow Green when my foot missed the kerb and I fell backwards full length into the road.

I was laying there and a car driver manoeuvred their car away from me. I hope the driver arrived at their destination safe.

Two lady drivers going in opposite directions stopped to help me up, and both offered to take me home. I hope I declined gracefully as I felt so embarrassed. I didn't get their names, but you were both "GOOD SAMARITANS".

My heartfelt thanks go out to you both.

## Bird Notes March 2019 by Cliff Cooper

Owls seem to have featured highly in my recent sightings. Tawny owls are calling constantly at night from the fields around us, and I have seen one or two in the car headlights. The barn owls are regular visitors on the Green at Hawstead as well as a pair being noted from Lawshall Green. My most unusual sighting locally was a short-eared owl which sprang from the ground not far in front of me; I suspect it had caught a mouse or vole and was devouring it until I came along and spoiled the feast. The only disappointment is that I have not seen a little owl at the top of Bull's hill near Nowton where they used to be regular. Has anyone seen them there, please?

On a walk at St. Helens picnic area (Santon Downham) we found the flock of bramblings in the beech trees, and we also saw a nice bright kingfisher on the river. People had reported a great grey shrike in that area, but we didn't find it!

What we have noticed as we go on our various walks is that the number of chaffinches seems to be on the increase again- even in Golden wood we have seen as many as twelve at one time; we often didn't see one at all previously. Maybe this is due to milder winters, or on such a small sample it could be simply coincidence.

Also in Golden wood we saw two pairs of bullfinches together in the area where we usually see just one pair. A buzzard also appears to have taken up residence in the wood as he/she is there every time we visit.

An opportunity too good to miss- we had to make a journey into town to see the waxwings that were staying around Tavern lane near the bus station. We nearly missed the six of them as they were sitting up on a TV ariel, trying to look like starlings !

# Lawshall Garden Club

March sees the arrival of spring in our gardens. We've spent a couple of months watching and waiting for the time to come when we can get back to some serious gardening. Although last year saw the dreaded 'beast from the east' hitting us hard this month, generally this is the month when the soil starts to warm up and we can start sowing and planting in earnest.

We can begin by sowing hardy annual seeds under cover in a greenhouse or on a window sill. Earlier planted seedlings such as sweet peas will need pricking out this month to encourage bushier growth and more flowers. Beds can be made ready for direct sowing towards the end of the month and into April. Summer flowering bulbs such as crocosmia, lillies, freesias and gladioli can also be planted.

Dahlia tubers should be planted individually in 3 litre pots of compost under cover and planted out once the chance of frosts has passed. If you have a lot of them, consider placing them tight together in a large tray and covering with damp compost. They will start to sprout in a few weeks and you can take cuttings.

March is also a good month to lift and divide some perennials. Look for large clumps with growth evident from the sides and improve your summer flowering by lifting, dividing and replanting them. I will be giving a talk on division at the garden club soon so come along and take part if you would like to. We would love to see you. Dates will be published in the next edition.

If soil is workable, dig in some compost or manure and add some comfrey pellets or fish, blood and bone. Prune young hedges. If you hedge is one or two years old, cut it back by a third. This may sound a bit harsh but it will promote healthy and vigorous growth and a bushier hedge. This month is a good time to plant a new hedge. Particularly mixed native or hawthorn, both of which are loved by wildlife. Sow courgettes, leeks, beetroot, peas and cucumber under cover and sow broad beans direct outside for good early crops. Early potatoes should also be planted out this month.

I could go on for hours listing all the things that we could be getting on with in March but I hope that these little tidbits help you in some way. Enjoy your gardens and have fun preparing them for the warm months ahead.

Happy Gardening

Dave Henderson

## Lawshall Community Woodlands

### A Forest for Our Children

Our next volunteer morning will be...

**Sunday 31<sup>st</sup> March, 9:30-12:30, Golden Wood, Bury Road**

This month we'll be trimming the fedge, preparing Bean Poles, cutting back our maze and maintaining the Pollard Jubilee Willows. We'll also be protecting new growth on the stools from pesky deer!

January's session had a good turn out. We got a long a way with laying a hedge behind the oak trees.

Next time you're in the woods, why not take a look! You can see how the trees are cut, bent and woven to create a new living hedge.

## Lawshall WI

Hello from **your** Lawshall WI.

This month, instead of our usual meeting, some of the ladies went on an outing to the Theatre Royal in Norwich to see *Calendar Girls*. This musical comedy is inspired by the true story of the *Calendar Girls* which went on to become a very successful book and film. It shows life in a Yorkshire village and how the ladies went on to create their famous calendar. It also explores the effect it all had on their husbands, sons and daughters. But most of all, it shows how a group of ordinary ladies managed to achieve something truly remarkable!

Whilst we're not intending to follow suit, we do have lots of exciting plans for expanding and promoting the WI in the village and the surrounding areas. It is quite amazing (as the Yorkshire ladies proved!) what can be achieved with a little creativity, planning and team work. Lawshall is a wonderful place to live and we want to contribute to that by putting on some family friendly and fun events in the coming year. So watch this space! If you'd like to get involved, please do come along.

We hold our meetings on the 2<sup>nd</sup> Wednesday of every month and our next meeting; where we will be doing some **Circle dancing, is on March 15<sup>th</sup>** at the village hall. (it's free to come along as a guest – and we promise a very warm welcome!)

If you think you might be interested in joining us , or if you'd like to ask us a question, please email [lawshallwi@gmail.com](mailto:lawshallwi@gmail.com) ( don't worry – you won't find yourself being roped in to being the next Miss July ! )

To see what we have planned coming up,

## **Tuesday Club**

Unfortunately our visit from the pearly king, Gerry Baxter, did not take place in February as Gerry was in hospital on the day. As I write this article we are re-arranging his visit and we hope that he will be with us on **Tuesday March 26th.**

To make up for the disappointment we arranged a cream tea in the village hall for the club with beautiful scones, jam and clotted cream. Delicious, and an event that will definitely be repeated in the future.

We have decided to start our monthly outings in March instead of April so we will be having lunch in The Swan Inn on Wednesday 6th March. There will not be a meeting on Tuesday 5th March.

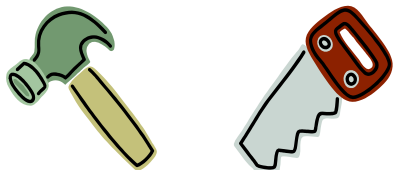

On Tuesday April 16th we are going to the **Braintree Silk Museum** for a guided tour and then from there we are going to the Toby Carvery, which is near to Freeport, for our meal.

I have made a visit with my wife to try it out (its a perk of the job) and we thoroughly enjoyed the meal and the staff hospitality.

If you would like to join us on Tuesdays in the village hall please do come along at 2pm. You will be most welcome and able then to join us on our days out.

## **Come & Sing in Hartest**

A good number of us enjoyed a terrific morning workshop with Tracy Sharp on Saturday 19th January at Hartest Institute.

We sang some great songs, including one of Tracy's own compositions, a Pete Seeger number, a pacy gospel song and several others. What a treat !

Here are a few dates for your diaries, including a new one in March when we shall be led Lynn Whitehead for her first visit to Hartest. We are very happy to be able to sing with her,

along with a number of new participants You are all welcome to our events, whatever your age and ability, and we are sure you will find them joyful and fun.

**Sat 23rd March - Lynn Whitehead**

**Sat 27th April - Chris Rowbury**

**Sat 18th May - Tracy Sharp**

**Sat 29th June - Chris Rowbury**

These morning events run from 10.00 am - 12.30 with refreshments served at half time.

We have a break in the Summer and hope to have more singing after that.

For more information contact Mo Woods on 07870 944318 , [mowoods0@gmail.com](mailto:mowoods0@gmail.com) or Joe Millard 01284 830457

Here is a little information about Lynn

### **Lynn Whitehead**

Lynn started spent over 20 years as a professional actor-singer before turning to community arts work long ago when her children were babies. She currently splits her time between running community theatre and singing workshops; story-telling and creative writing (having this year successfully completed an MA)

Lynn is a member of the Natural Voice Network and runs the Ickworth Larks (for National Trust staff and volunteers) and a singing-for-fun group at Westhorpe Village Hall as part of Suffolk Artlink's 'Make, Do & Friends' programme.

True to NVN ideals, her singing workshops are 'no dots, no solos, no experience required' sessions celebrating the joy and positive vibes of singing together. It's all about harmony!

## More From Trading Standards:

### Can you become one of a million friends?

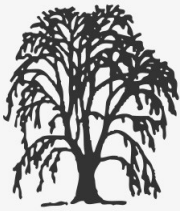

Scams affect the lives of millions of people across the UK and postal, telephone and doorstep scams are often targeted at disadvantaged consumers or those in vulnerable situations.

The National Trading Standards Scams Team estimates that the cost to consumers as a result of these scams is between £5 and £10 billion a year.

Since its National launch last year the *Friends Against Scams* campaign has already provided training to more than 30,000 people, helping them understand how to spot a scam and empowering them to help prevent relatives, neighbours and friends from becoming victims.

you can support the *Friends Against Scams* campaign by completing a short awareness training session [on their website](https://www.friendsagainstscams.org.uk/elearning/suffolk).

## **National litter picking weekend**

Will you help in your village?

The Daily Mail is sponsoring a National Clean up campaign during March. In conjunction with Babergh and our own Parish Councils I have agreed to run a litter clearing weekend in Lawshall, so I need the help of a number of residents on **Saturday and Sunday 9th and 10th March.**

Our small team of litter pickers do a great job every month but many roads are not covered by our team now. We mainly pick up drinks cans and cigarette packets but sadly we are finding a number of dog poo bags nicely tied up and discarded in ditches and hedges. Please do not let the vast majority of responsible owners down.

All bagged litter for the weekend will be placed on the verge near the village hall where the Christmas trees are left. This will all be collected by Babergh Council on Monday 11th March.

I have black bin bags and fluorescent jackets (provided by Babergh Council) for each litter collector.

If you are willing to help please **contact me on 830466 or meet me in the village hall car park at 9am on the Saturday or Sunday morning.** We are only asking for an hour or two of your time.

Thank you John Payne
